OH, OH, YEAH!
3 HEN HEN 3

Dear Beavis and Butt-head:

Hey like you two are really cool. I like your books. (Huh-nuh I said books.) But maybe you should try treating 'chicks' like PEOPLE? Like half of the X-PEOPLE are female, and they have all the good powers. Like maybe if you treated us like people, us 'chicks' would maybe LIKE you better!!! So like stop judging us by our 'thingies', try our personalities first. By the way, Barney SUCKS. The X-Men rule! They should be the X-People, though. So next time you go Barney-bashing, call me. I will help you kick his purple butt. You should find out where the guy who invented Barney lives, and T.P. his lawn and take a crap on his front step. And Canada rules. U.S.A. sucks.
